Signature Not Required	Courier	Per Delivery	Included	Included	We offer Signature Not Required (SNR) services within Canada that authorize deliveries without a signature from the receiver. SNR service can also be arranged by the originator of the shipment: Origin Signature Not Required (O-SNR). This prearranged agreement with either the shipper or the receiver offers you and your customers added convenience and flexibility. We offer a Single Shipment Use form to make it easy for you to authorize a one-time SNR delivery and a Multiple Shipment Use form to authorize all shipments to be delivered without a signature, whether you're the sender or the receiver. Visit purolator.com to download these forms.

Signature Required (Residential)	Courier	Per Shipment	3.49	3.49	We offer a "Signature Required" option for shipments destined for delivery in a residential area. If you require a signed proof of delivery, and your shipment is prepared using our Purolator E-Ship® Solutions, you must select that the shipment requires a signature. If you do not make this selection, the shipment will default to the O-SNR (Origin Signature Not Required) service. When the shipment is prepared using a manual bill of lading, the shipment will travel as a shipment requiring a signature and will be subject to the Residential Area surcharge, not the Signature Required (Residential) service. Note: If the receiver has elected the SNR (Signature Not Required) service, the SNR service will override a shipper's request for a signature.

The maximum allowable dimension must not be exceeded. If the weight is not recorded on the shipping documentation, the greater of the volumetric weight and actual weight or a standard default weight of 5 kilograms (11 pounds) will be applied.
Cancellation of Pickups Fee	PPST	General Services	Variable	Variable	When you give Purolator less than 24 hours of notice to cancel a previously scheduled pickup, a fee will be charged
Dangerous Goods (Hazardous Materials)	PPST	General Services	Not Applicable	Not Applicable	Dangerous Goods are not acceptable for PuroPost Service.

Dim Weight	PPST	General Services	Standard	Standard	Divide the cubic size (length x width x height) by 139 when measured in inches to determine the dimensional weight. Increase any fraction to the next whole pound. The greater of the actual weight or the dimensional weight will be charged.
Fuel Surcharge	PPST	General Services	Adjusted Monthly	Adjusted Monthly	For any PuroPost® and PuroPost Plus product, Purolator calculates the applicable fuel surcharge effective the first Monday of every month. The surcharge is based on the Canada Post Corporation's publicly reported Domestic Express and Non-Express Services surcharge value for the month about two weeks in advance.
Label Correction Fee	PPST	General Services	\$7 per shipment	\$7 per shipment	Purolator will monitor your shipments in a three-month measurement period. If more than 1% of your shipments have bar codes that are unreadable by our overhead scanners due to shipping labels that are wrinkled, creased, folded, or applied on box corners or uneven surfaces, and the situation requires Purolator to correct the faulty labels and apply new labels, during the subsequent measurement period, Purolator will charge US \$9.10 per shipment to correct faulty labels in the subsequent measurement period. This fee will not be applied to any shipments in the initial three-month measurement period.
Maximum / Minimum Shipment Size	PPST	General Services	Standard	Standard	Parcel □ Maximum length of any one side: 2 meters (78.74"), Parcel □ Maximum length + girth: 3 meters (118.11"), Parcel □ Maximum weight: 30 kilograms (66 pounds), Parcel □ Minimum dimensions: 100 millimeters (3.93") x 70 mm (2.75") x 1 mm (0.039"), Mailing Tube □ Minimum size: 100 mm (3.93") x 23 mm (0.9") x 23 mm (0.9"). A surcharge will be applied to mailing tubes that are cylindrical in shape.
